The Staff

Yearbook editors for 1953 are, left to right: Emmie Huntsberger, Beverly Biggs, Nancy Dingledine, Carol Bowen, June graduates, and Diane Warner (inset) of the January class.

These girls, who compose this year's Lens Staff, were responsible for getting pictures and stories of all seniors, faculty members, clubs, athletic teams, and all special events which occurred through the year, such as Homecoming, senior plays, the Backward Ball, etc. The material was then compiled and arranged by this staff. In addition they helped with all subscriptions and publicity for the Lens.

The Theme

We have chosen our "Alma Mater" to be the theme of our 1953 yearbook. We feel that this song will always stand dear to us as a memory of our joyous school days and friendships which we will always cherish.

DEAR OLD SOUTH

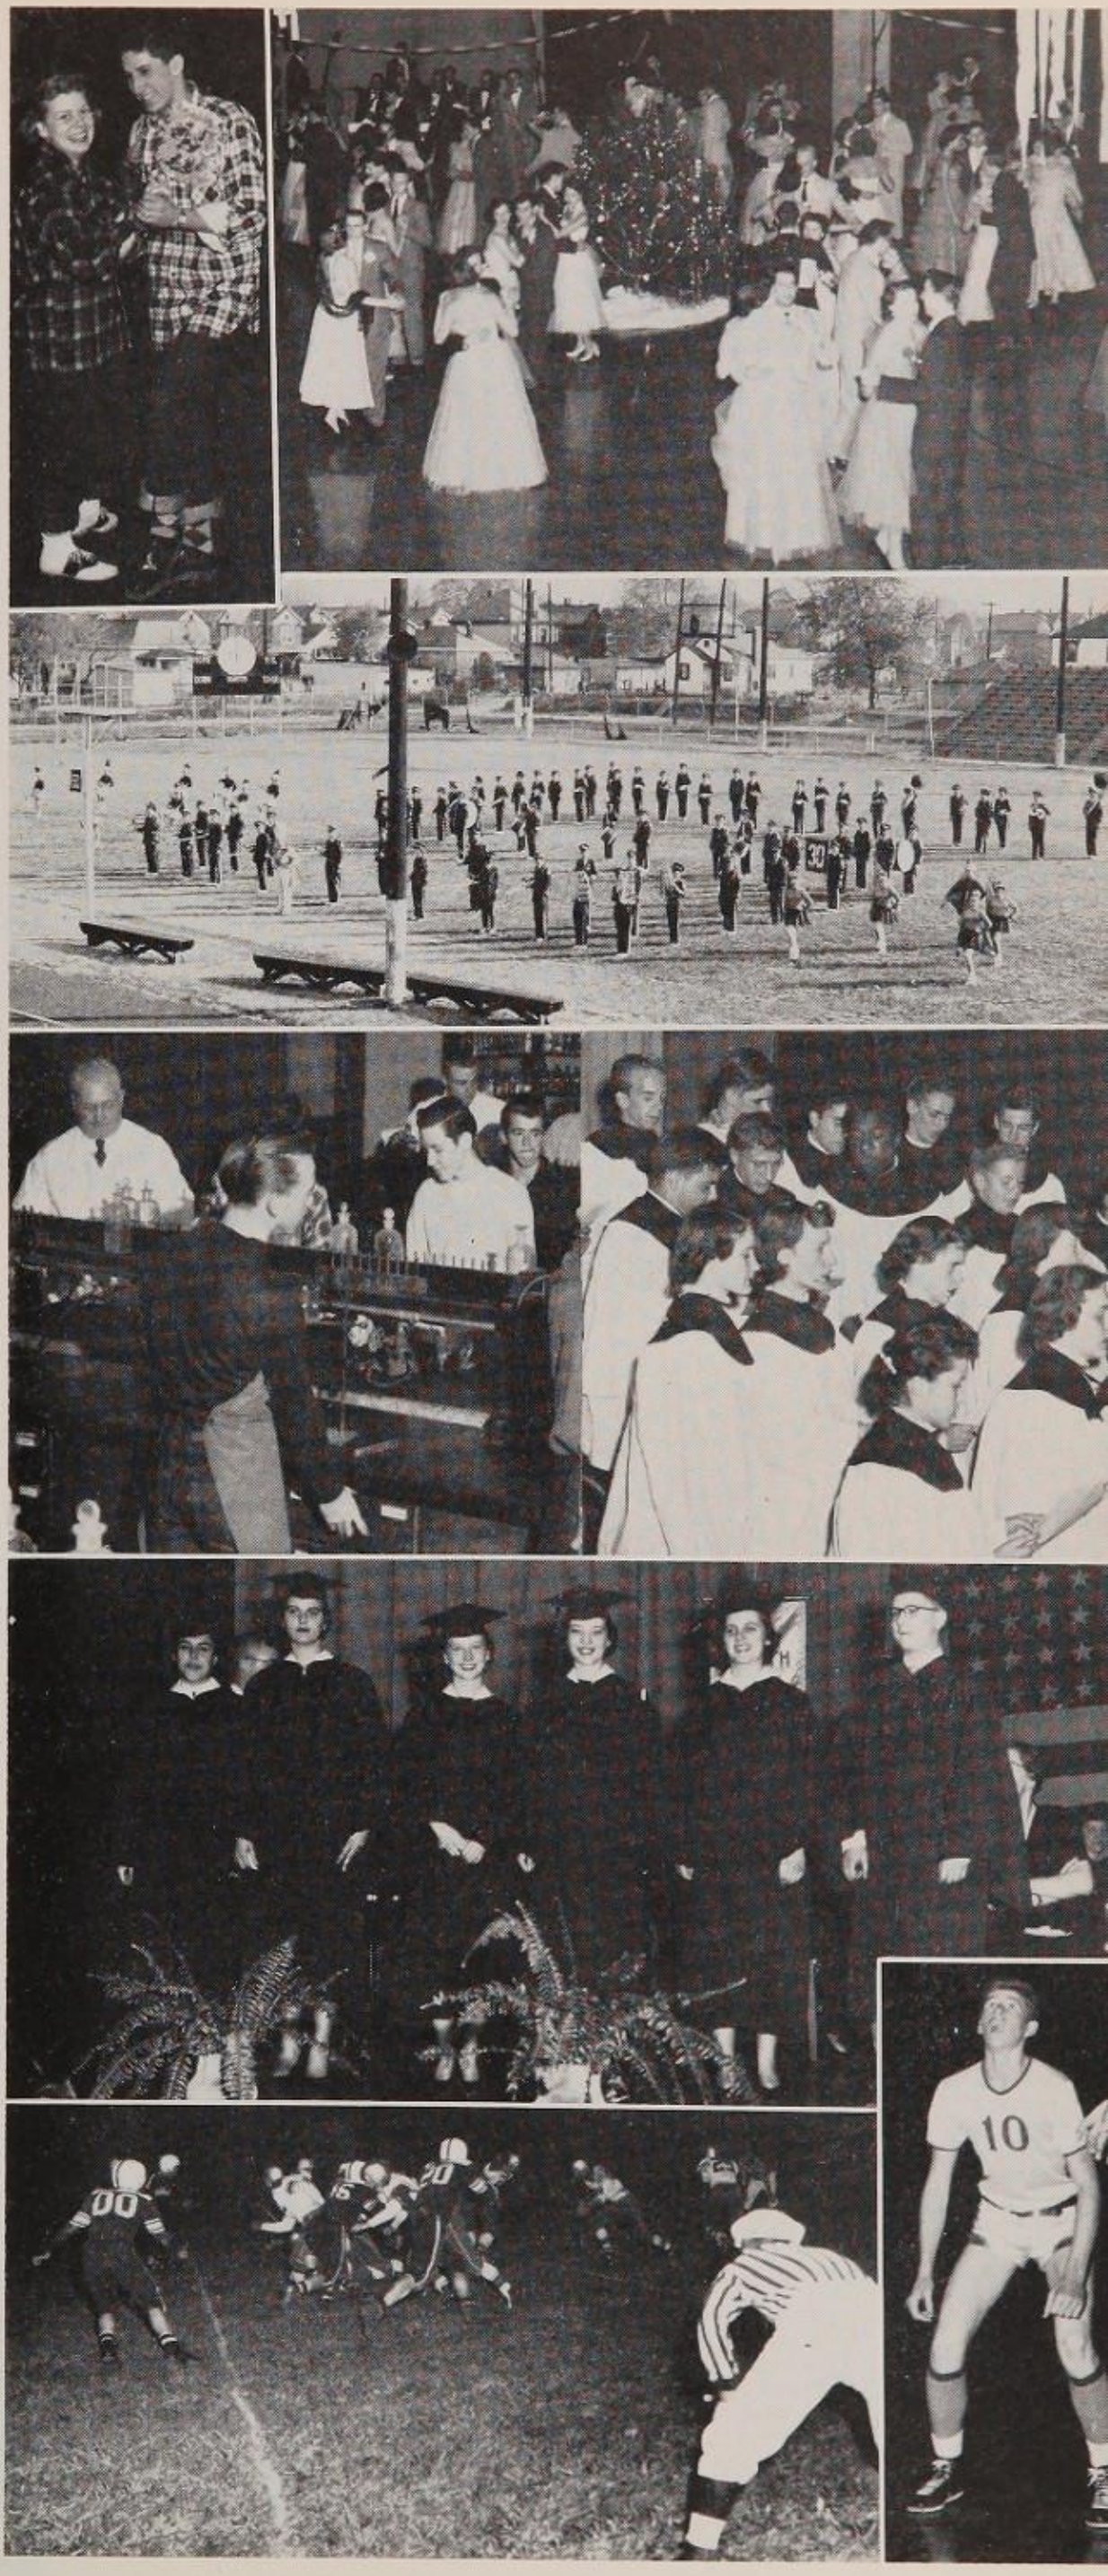
South High, dear old South High,
Our hearts to you are true;
How we love the dear old South
Emblem of our Gray and Blue.

To thee, oh dear old South,
We raise this glorious song!
For battles fought and victories won!
By noble hearts and strong.

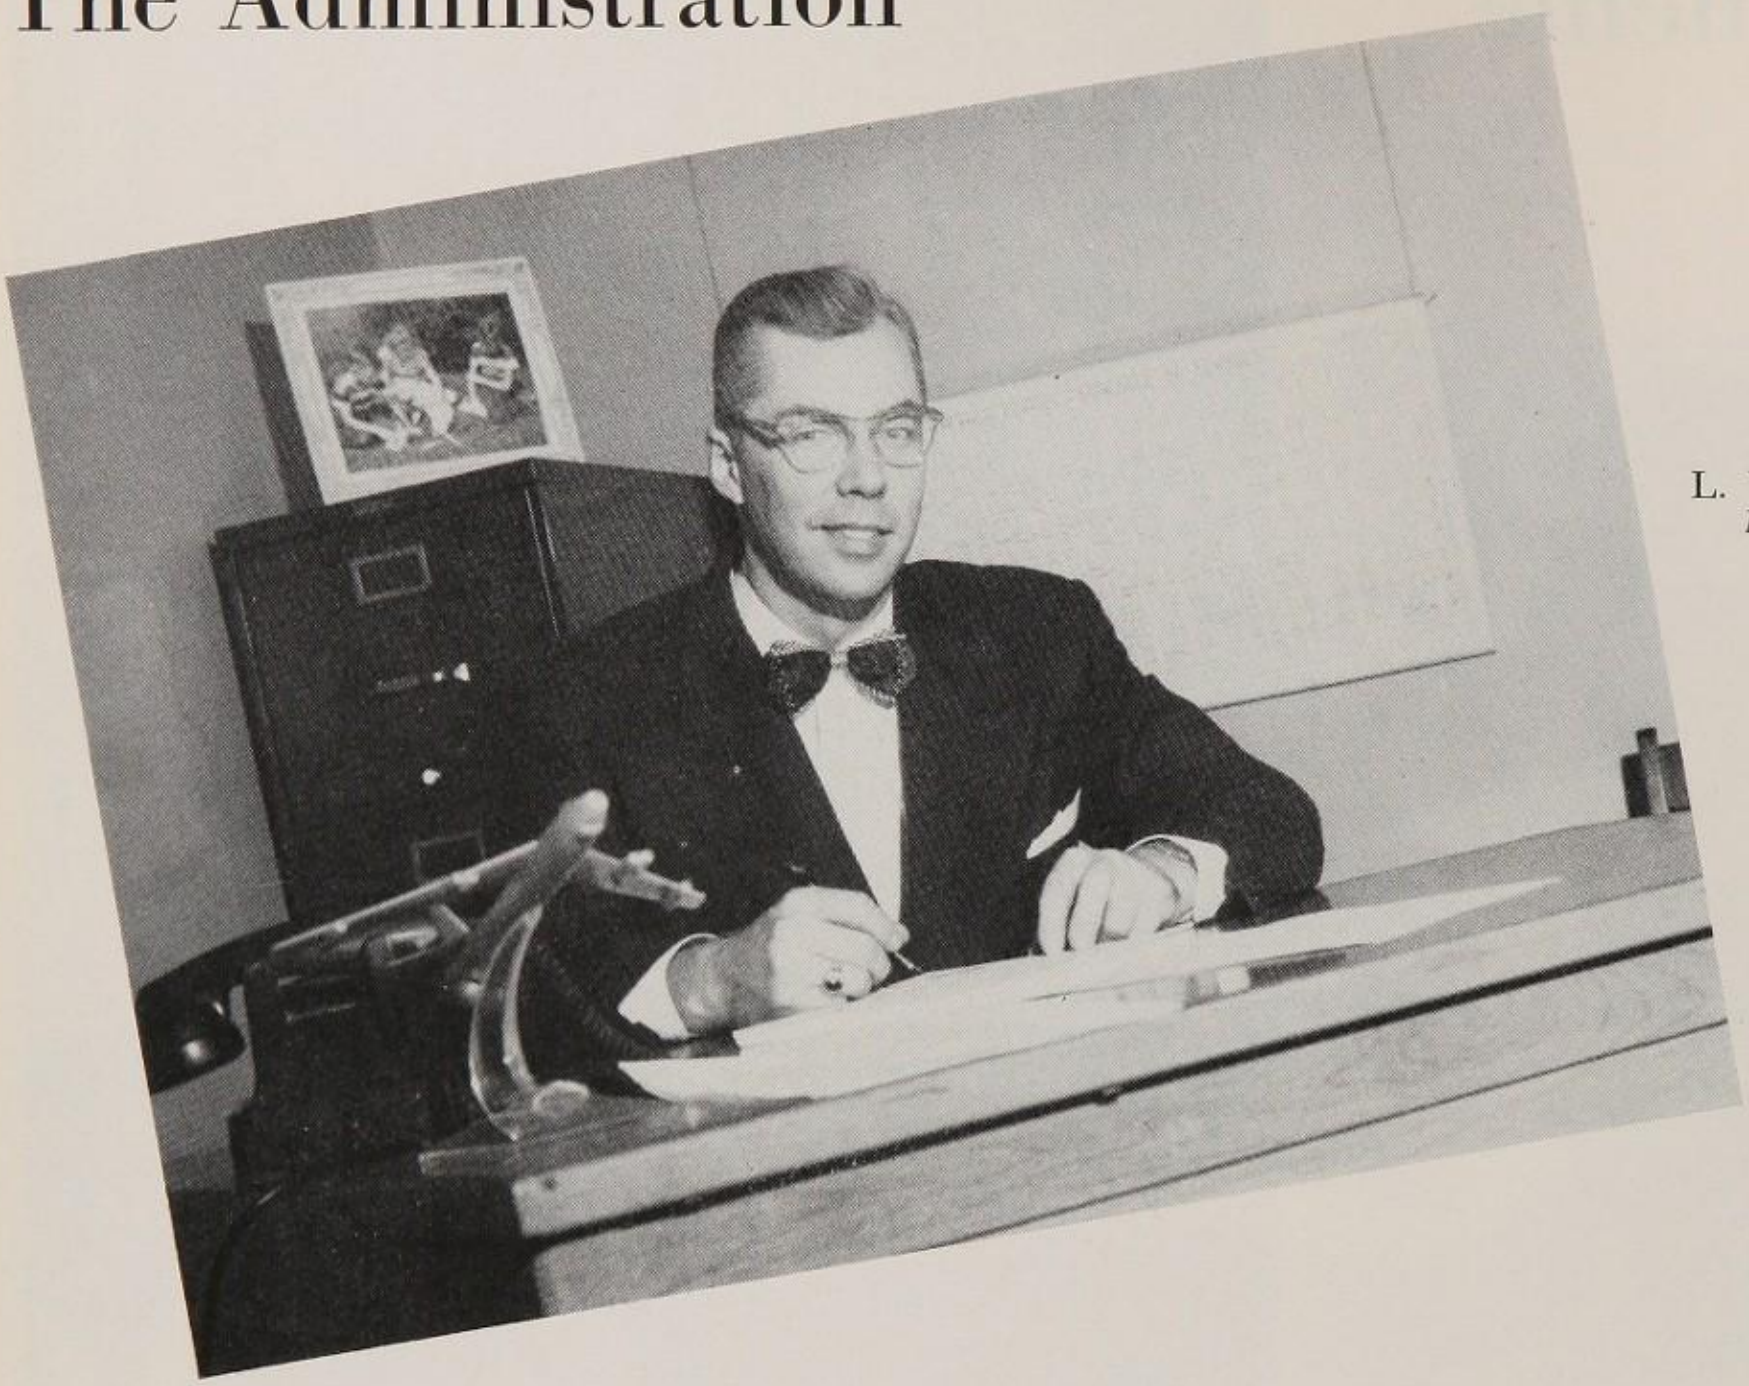
Oh, to thy sunny halls,
Our loyal hearts will cling;
And years of time will ne'er erase,
The memories you will bring.

And to your sterling friendships,
The fleeting years will give
Honor, truth and loyalty,
With South High's name to live.

Cho.: Hail to Old South High,
Oh, shout her glorious name.
Far down the ages,
We'll sing the song of fame,
Hail to her heroes,
Whose strength will never fail.
To Gray and Blue, we'll all be true,
Hail! South High, Hail!



The Administration



L. W. Huber
Principal

L. W. Huber, our principal, counselor, and leader throughout this past year, has been a helpful and understanding friend to all, showing interest in every department of school work, as well as in our extra-curricular activities. His excellent guidance and advice when problems arose, and his enthusiasm and concern for our athletic events, clubs, plays, dances, assemblies, and school improvements have been sincerely appreciated by the students. New to South this year, Mr. Huber has done a fine job of becoming acquainted with an entire student body and faculty here, plus the many traditions and customs which are part of our school.

We are grateful for his kindness and assistance and wish to extend our thanks to him for all he has done to make our days here pleasant and successful.

Mrs. Virginia Heigel
Secretary to Mr. Huber

Elsie Grove
Vice Principal

Miss Elsie Grove, our vice-principal, is always ready to lend a helping hand, give us wise counsel, hear our problems, and assist in various ways to make our projects and activities at South more successful. She assumes a great deal of responsibility when Mr. Huber is away, and can always be counted on to do her best in any task she undertakes.

We are fortunate in having so kind, thoughtful and intelligent a person as Miss Grove in our midst.

Mrs. Florence
Bland
Secretary to
Miss Grove

SENIORS

"Oh, to thy sunny halls,
Our loyal hearts will cling."

Midyear Class Advisers and Officers

Miss Ruth Lang

Heading the January graduating class of '53 was Don Wirtz. Don was very active in sports. In his senior year he was co-captain of our football team and played fullback. He also was outfielder for our baseball team, which shared the '52 championship with Central. Chuck Rundio, always on hand to give his views, shared the duties and problems of heading his classmates.

Dorli Kuepfer was kept busy being secretary and arranging dates for this and that. During her senior year she was in the fall play "Double Door." She played the part of "Louise" who was one of the three maids. She loves to sew, in class and out. Adam High, the miser himself, handled his classmates money. Some job, counting all the moo-lah!
Pictured these officers are, bottom, Dorli Kuepfer; *middle,* Don Wirtz, Chuck Rundio; *top,* Adam High.

Midyear Class Prophecy

Admiral Charles Brandum
% U.S.S. South

Dear "CHARLIE":

It surely has been a long time since "1953"—twenty years. We were reminiscing about the old gang and thought of writing to you. Many exciting things have happened to us since we last saw you.

We went to New York on our vacation and had a really eventful time. We took a plane from the HOLBROOK AIRLINES and were treated with great luxuriousness by the hostesses, DOROTHY DAVIS, ODESSA MILNER, and PHYLLIS TROUT. We ran into a little bad weather, but the pilots BOB SCHWAB and JOEL ROBISON really knew what they were doing and we arrived safely. The cab driver, GENE BECHTEL, was very kind and took us to a beautiful and widely advertised hotel owned by ADAM HIGH, HARRY DORR, and BILL BACK. They were very glad to accommodate us free of charge, which was greatly appreciated. They informed us of a good place to eat, SINACOLA'S SPAGHETTI HOUSE, owned by LORETTA SINACOLA. We were shown to our table by the head waiter DONN WATSON and served very courteously by the waitresses, EVELYN FOX, BETTY HEFFLEY, and BARBARA THALL. The cigarette girl, PATTI KIRBY, was also very kind.

We decided to see a stage show that night, so we went to see the "COHEN FOLLIES" backed by ED COHEN. SHIRLEY VEST, PAT WILLIAMS, BETTY TROTT, SHEILA MELMAN, and LUCILLE MEINEN really made a terrific chorus line. It is no wonder the show was such a success with RAY WOOD directing it. As we were leaving the theater, we saw many prosperous business men and accomplished artists. We saw MERRILL CALVIN, president of "CALVIN'S LINGERIE INC.," the two very famous dentists for making false teeth, LARRY BORROR and CHUCK RUNDIO, and WILMA EVANS, the first woman president of the "Violinist Union."

The next day we went shopping and stopped in an exclusive dress shop owned by LENORE COOPER. DOROTHY VANCE, BETTY REO, and BONNIE WENTZEL were models there. We were surprised to see CYRIL ZISENWINE, now a P.O.D. teacher, also there shopping. She told us that KENNY LININGER was sports editor of the local paper and doing very well. Speaking of sports, I suppose you know that DON WIRTZ is playing professional football for the Cleveland Browns.

By the end of the day we were really tired, so we went back to the hotel. The hotel operator, ROSIE COOK, was very kind and took all our messages so we would not be bothered. Relaxing to the soothing music of the "Rhythm Boys" — composed of GEORGE DEMME, KEITH BOTLEY, HAROLD TRAGER, and OLLIE CORDLE — we ended that day with slumber.

We spent the next day sightseeing. While walking around, we noticed HELEN PAPPAS finally got her name in lights. We also saw a poster announcing JIM POTTS as the winner of the midget auto races. We are sure his manager, JO ANN SHARTZ, had a lot to do with it.

This was the last day of our vacation, but we really felt good seeing how successful all of our former classmates have become.

Looking forward to seeing you at our twenty-fifth class reunion.

Your friends,
DIANE WARNER
MIRIAM SCHOTTENSTEIN

Assuming the leadership of the June Class of 1953 was Tom Passen. Tom was president of student council and chief justice of student court. He was a member of the City Championship Basketball Team.

Assisting Tom with his duties was Sherrie Phillips as vice president. Sherrie was the smallest varsity cheerleader, and reigned as the 1952 Homecoming Queen.

Judy Arthur, secretary, kept the bookwork of the class up-to-date. Judy was a member of the 1952 Homecoming Court.

The man with all the money who courageously collected it from the seniors was Kenny Clark. Kenny was vice-president of student council and the prosecuting attorney of student court. *Pictured they are, bottom,* Judy Arthur, Sherrie Phillips; *top,* Tom Passen, Kenny Clark.

June Class Prophecy

I was in the process of cleaning the house when I came across the '53 Lens. Just looking at the cover brought back so many memories of my high school days, I couldn't help glancing through it. The first page I turned to was that of the class officers. *Tom Passen,* class president, is a noted basketball coach in the East with *Tom Jones,* his manager. Along the sports line, *Kenny Clark* and *Sherrie Phillips* are the stars in *Swishers* Swim Review, while *Judy Arthur* is married to an Admiral.

As I flipped the pages I recalled the faces of classmates who had slipped to the back of my mind. My good friend, *Joan Ball,* is sending her two little girls to *Geri Adams'* Training School for Tiny Tots. Two of the teachers there are *Betty Adkins* and *Faith Badurina. Dave Backulich* is working hard in the school's music department. I heard on the T. V. noon news program about the big "syndicate" bank robbery. *Devoin Lahey,* president of the bank, has appealed to the F. B. I. and they are putting three of their top men on the job— *Bill Brown, Bob Grate,* and *Richard Larger.*

Oh, here's *Betty Kritzer's* picture. That reminds me of the long chat I had with her the other day. She and *Doris Windmiller* just completed a round-the-world trip. While they were in Iran, the *Decaminada-Luzader* Oil Refineries were having a dispute so *Joe* and *Jim* sent for *Jack Balogh* and *Ronnie Benjamin,* now lawyers. They came via the *Kaser* Air Lines in order to settle the matter. *Betty* was also telling me that while they were in Paris, *Beverly Biggs, Connie Gautz,* and *Nancy Emish,* Inc. created a new Parisian dress style. *Paul Lloyd* and *Julia Davis* make the hats for all the blue-blood of Europe. *Doris* and *Betty* made the return trip on the U.S.S. *Rauch,* named in the honor of *Senator Eric Rauch,* and *Jim Ackerson* was the ship's captain.

Since so many of my old classmates have moved to New York, I subscribe to the New York Times, co-edited by *Emmie Huntsberger* and *Carol Bowen.* A feature story was of *Margaret Chrismer* donating $85,000 in order to complete the church where *Anthony Cocco* will be priest. The plans for the church were drawn up by *Kay Kramer* and *Chuck Slagle.* Appearing in the famous *Kochensparger* Copacabana are *Mary Byrd* and her Piano Blues, the famous *Garrigan, Glick, Nofer, and Smerles* quartette; *Neil Swissman* and his dummy; and providing the musical background is *Jim Kearns'* Dance Band. Some of the members of his band are *Gary Carroll, John Gersper, Don Hooper, Luther Ranft,* and *Gene Stofer.*

On the front page of yesterday's Times was a picture of *Bob Dolby* and *Don Gwynn,* atomic energy commissioners, congratulating *Bob Kates* for a new discovery. Seems he found a way to make chicken wings three times as big as they are, with atomic rays. *Ella Bullock, Margie Conkle, Phyllis Coon,* and *Reva Greff* are putting on exhibition bridge games in connection with the *Tidwell* Bridge Club. Working with the *Tom Burton* modeling agency in New York are *Marilyn Buckholz, Susan Greenfield, Jean Johnston, Carleen Sutorius, Elizabeth Stein, Dolores Wasil,* and *Nancy Wesney.* That terrific team— *Pat Bushee's* Bit-A-Basketeers has appealed to the *John Harkless, Henry Pell, Gene Martin* Athletic Sporting Co. to make them some high-heeled tennis shoes. *Pat* and the other starting four, *Nina Shrieves, Shirley Smith, Carol Forst,* and *Joyce Bradford,* are having trouble reaching the basket.

Our own fair city isn't doing so bad in claiming the talents of my classmates. *Kenny Hill* is mayor with *Elaine Duros* as his private secretary. *Larry Evans* is president of the Evans Fair Deal Insurance Co., and his sister, *Vellaire,* just had her second set of twins. *Carol Shafer and Joe Brown* are currently starring in a musical comedy at the Hartman. Their supporting cast includes *Lucretia Harper, Eileen Kroff, JoAnn Weisenberger, Bert Peters, Jerry Fee, Louie Kempf,* and *Bob Smith. Jack Kennedy* owns the Hartman, and *Harold Beamenderfer, Sam Miklos, John Sorenson* and *Norman Weber* manage the stage crew. *JoAnn McCalla* was here not very long ago in a special ballet show. *Nancy McCune, Marcia Mays, Shirley Scherie, Shyla Kettler,* and *Donna Hamler* assist her in the dancing routine.

Dick Papai and *Dick Morbitzer* have organized the Buckeye Pro Football Team. Seen performing with them are *Dave Shaw, Willis Kredel, Paul Godorhazy,* and *Bill Dodson. Larry Schenk* has turned pro-golfer and *Charles Cacciatore, Harold Hill,* and *Tom Stedman* now work out with the Columbus Red Birds. On my shopping trips downtown I see such girls as *Joyce Hall, Viola Hipolite, Naomi Hook, Hazel Long, Ruth Knoepfel,* and *Barbara Roberts* working in the stores. *Connie Ritchason* is the dress buyer in the *Yahraus-Mouser* Clothing Store. *Shirley Morgan* is more commonly known as Dr. *Morgan,* Pediatrician. Her two very capable nursing assistants are *Barbara Stroh* and *Shirley Tustin. Marcie Andrews* is the leadng scorer in the City Women's Basketball League. *Marcie* plays in South's gym every week and she told me *Dick Wolff* and *Chuck Lowery* are night janitors. I went back to a South game not so very long ago and there were *Marilyn Coil* and *Norma Pearson* backing the team the same as ten years ago. *Joann Kidd* and *Rosie Styers* work in the *Eddie Dunfee, Mary Kramer,* and *Phyllis Strait* Bakery Corp. Their bread is extra delicious because of a new dough-making process invented by *Jim Spohn* and *Manfred Maier.* I found out about this process through *Don Ratcliff,* my bread-man.

Out Buckeye Lake way *Platt Kennedy* is racing his boats, while his wife, *Ebbie,* keeps account of the prize money and trophies. A bathing beauty contest was held at the Lake last summer and *Bobbie Pharr* was named Mrs. Buckeye Lake.

Oh, there's the telephone. Hello—Hollywood, California, calling? "Yes, operator, this is *Nancy Dingledine* talking. Please put Miss *Marilyn Marshall* on. *Marilyn,* how are you?" . . . "Just fine. Say, Nancy, the studio gave me a two weeks' vacation and I was wondering if you'd put me up at your house for a while." . . . "Of course. Funny thing! I was just sitting here reminiscing of our old classmates. I've decided we need a class reunion." "Good idea. I'm leaving on the early flight tomorrow so I'll help you make arrangements. Bye-now" . . . "Good-bye."

ACTIVITIES

"And to your sterling friendships,
The fleeting years will give,
Honor, Truth, and Loyalty."

STUDENT COUNCIL

The Student Council this year was a very active organization. There was never a dull moment. Along with the help of Mrs. Arema Kirven, their faculty adviser, the Council had a very successful year. These students are chosen on the basis of character, scholarship, efficiency, and reliability. They are depended upon to wait on all students and visitors and help them as much as possible. They issue locker, tardy, and visitors permits, direct visitors to any teachers or rooms they wish to visit, and run numerous errands for Miss Grove and Mr. Huber. Their faithfulness, dependability and character are what help to make the office run so smoothly and efficiently.

ATTENDANCE STAFF

This is the staff that has taken care of our attendance this year. They have been on the job before and after school besides every period. It is rumored that the reason all the girls who work in the attendance office are pretty is that Mr. Hoover goes around to study halls the first of the semester and hand-picks them himself.

FALL PLAY

"Double Door" was presented as the 1952 fall play.

The cast did a fine job of concealing until the end what was hidden behind the double door. Pat Williams, portraying the part of Victoria Van Bret, kept a stern upper hand over her sister Caroline (Wilma Evans) and brother Rip (Joe Brown). Anne Darrow (Helen Pappas), whom Victoria locked behind the double door, was finally found by her husband Rip and Dr. Sully (Larry Evans). The play kept the audience seated quietly in suspense, living the lines just as the cast did.

The cast, seated, left to right: Helen Pappas as Anne Darrow, Joe Brown as Rip Van Bret, Pat Williams as Victoria Van Bret, Wilma Evans as Caroline Van Bret. Standing, left to right, are: Dorli Kuepfer as Louise, Joel Cossneer as the minister, Emmie Huntsberger as Marie, Eric Rauch as Mr. Neff, Larry Evans as Dr. Sully, Bob Kates as Mr. Chase, Gary Carroll as Mr. Telson, Dorothy Davis as Miss Avery and Tom Jones as Mr. Lambert.

Co-Captain Dick Papai places crown of white carnations on the Queen's head.

The outcome of the election has just been announced.

Sherrie Phillips, auditorium senior, was crowned the 1952 Homecoming Queen at the South-Linden game played October 17. Tom Passen, president of Student Council, announced the queen during the half-time ceremonies.

PIGSKIN REVIEW

BY PAUL LLOYD

With Coach Chuck Gilbert's fine instruction, our Bulldogs had one of their better seasons. They finished third in the league with 4 wins and 2 losses. Their season record was 6 wins and 3 losses.

After leading 42 of the 48 minutes, South lost their annual opening game to Arlington, 19-13.

They opened their home season by routing Grandview, 42-26. Charlie Peake and Ron Callander led the attack.

West defeated the Bulldogs, 38-6, in the first league game. Charlie Peake went 80 yards for South's only score.

They defeated Aquinas, 27-6, with Co-Captain Don Wirtz going 90 yards to pay-dirt. Earl Joiner, Charlie Peake, and Ron Callander also scored. The following Friday the Bulldogs put on a fine show for Homecoming Queen Sherrie Phillips, winning 26-14 over Linden. Ron Callander had a 102-yard run, one of the season's best.

For the first time in 15 years, South defeated North. Co-Captains Dick Papai and Don Wirtz led the attack which saw the Bulldogs on top, 31-13.

East's speed was too much as we lost to the Tigers, 20-6. Dick Papai scored South's only T.D.

Next South drew a bye in the seven-team league, and went to Marion. Led by Elbert Dubenion, they won 19-14.

A win over Central, 39-20, cinched third place for the Bulldogs. Elbert Dubenion again led the score parade.

Bob Grate, Franke Reeves, Ron Callander, Elbert Dubenion, Dick Papai, Don Wirtz, Bill Shinn, Dick Morbitzer, and Larry Evans gained All-City berths for South.

The reserves also had a good season, finishing with 4 wins and 2 losses.

CAGE REVIEW

BY DICK PAPAI

Our cagers won the City League title with North causing the only real trouble. The Bulldogs defeated North at the coliseum on Henry Pell's last second foul shot 48-47, and on the home court, 60-57. Their only league loss was a forfeit to Central.

South lost to Middletown, State Champs, 59-92, and Hamilton, a strong south-west powerhouse, 54-62.

Tournament play started with the Bulldogs defeating St. Charles 60-40. South didn't bother with the law of averages, beating East 47-39, and North 68-48, both for the third straight time.

After trailing Newark 17-11, at the end of the first quarter, the Bulldogs pulled to a 25-24 lead at half. Pell and Howard each had 8 points. South pulled ahead 35-32 and then Pell, Owens, and Howard fouled out. Newark then began to close the gap and finally defeated South, 46-40, for the district title.

Frank Howard, Sam Pointer, and Henry Pell were All-City selections. Howard, Pointer, Pell, and Benny Wright made All-Tournament. Sam Pointer also gained All-State honorable mention.

Graduating seniors are Tom Passen, Henry Pell, John Harkless, and Jim Potts who graduated at mid-year.

These are American newspapers!

THE foreign language newspapers you see here are as American as the funny papers. Yet these papers are published in languages that look very strange to most of us. They are just a few of the many hundreds of foreign language newspapers published in America. The publishers of these papers have the same freedom to express their views and support their interests that English language newspaper publishers have.

The right to publish what we please, and in any language we please, is one of the freedoms guaranteed to us by our Constitution along with the right to secret ballot, freedom of worship and many others.

In some countries these rights are being wiped out because they stand in the way of a totalitarian state. There, free-speaking newspapers have been replaced by state-owned propaganda machines. Religion has been suppressed. History re-written to glorify the state. There are those in this country who would like to re-write our Constitution so that it would wipe out our rights, too. The only way we can prevent this is to stand up for our rights whenever we see them threatened.

Remember, they're your rights, so treat them right!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

Freedom of worship
Right to secret ballot
**Right to know how your union spends your dues*
Freedom of speech
Freedom of the press
Right to criticize officials
**Right to know salaries of your union officials*
Freedom from search without warrant
Right to petition government for redress of grievances
**Right to know if your union officers are Communists*
**Right to know how your union is run*
Right to speedy and public trial by jury
Right to help of a lawyer
**Right to hear your employer's side of disagreements*
Right not to appear as a witness against yourself
**Right to refuse to permit the "check-off" of union dues*
**Right to go direct to your boss with a grievance*
Right to be presumed innocent until proved guilty
Freedom to own property
**Right to work despite union jurisdictional disputes*
Freedom to work in any locality
**Right to proper supervision of your union welfare funds*
Freedom to start and manage a business
Freedom to make a profit
**Right not to be fired by union leaders*

*These are rights you enjoy under the Taft-Hartley law.

THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!
